

Promise Auction Rules:

There are 2 ways to place a bid:

- by buying a ticket, attending the event and bidding in person, or,
- placing a bid on the www.nolaybrooklandfill.co.uk website, in which case someone will bid on your behalf at the auction. This is referred to as 'Bidding by Proxy'.

Bidding by Proxy:

Your bid will be kept confidential and a member of Thakeham Village Action will bid at the event itself on your behalf. In placing a bid, you are instructing us to bid 'up to' but not over the given amount. Items will be sold on the night either by proxy or in person to the highest bidder. The auctioneer's decision on the successful bidder is final.
