Thakeham Village Action

# No Laybrook Landfill

Issue 1

1<sup>st</sup> February 2009

## Thank You

Firstly, we would like to thank you for registering. Our fight against landfill at Laybrook Brickworks is strengthened with every new supporter so please spread the word to friends and neighbours.

## It Will Affect You!

TVA campaigners are extremely concerned that some residents do not realise how landfill at Laybrook would affect them. Sadly this is a reflection on the lack of public information readily available about the dangers of landfill and that safer, more environmentally friendly and ultimately cheaper options of waste disposal are available.

*Please help us to educate everyone, all the information you need is on the website.*

## Latest News

Log on to the website for full news items.

### 28<sup>th</sup> January

Press release from Nick Herbert MP 'Renewed call for end to landfill in West Sussex'.

### 23<sup>rd</sup> January

*If you have already purchased boards, thank you!*

### 15<sup>th</sup> January

Landfill planning application submitted by Cory Environmental to West Sussex County Council.

## How Can I Help?

- If you have not yet signed the petition, please do so. You can do this online or look out for them in local shops.
- Download from the website and display in a prominent place the 'No Local Landfill' poster.
- **GET READY TO OBJECT** - Draft your letter of objection to West Sussex County Council. The public consultation period will be very short so it is best to be prepared. We will tell you when and where to send your letter once the public consultation is announced.
- **SPREAD THE WORD** – too many people are still unaware of the prospect of landfill at Laybrook and what they can do to help fight it.
